

This is to encourage the FCC to preserve priority of FM translator service and not permit LPFM to have priority. I am a daily listener of K-LOVE, and I know first-hand of its unmatched, wholesome contribution to our community. There are too few opportunities to tune into Christian broadcasting as it is. The broadcasting provided by K-LOVE is especially excellent because I and my family members throughout the country can be listening to the same song at the same time. I'm certain that if K-LOVE was displaced by an LPFM broadcaster our community, indeed our nation, would not be served as well. Please preserve and protect the priority of FM translators.
